

April 11, 1940.

Mr. Dan Burleigh,
Amsterdam News,
2271 - 7th Ave.,
New York City.

Dear Sir:

I have just talked to Mrs. Manley on a long distance phone. She asked me to write you and say she will not be back this week, she has decided to take a little vacation and try and get a little rest before the busy season. She will get in touch with you upon her return.

Yours very truly,
